Dear Community Partners,

Citrus Heights Little League's mission is to provide a healthy environment for the youth of our community. Little league is not a just baseball program; it is a program that teaches our youth courage, character, loyalty, leadership, and life lessons by utilizing baseball as its tool to teach those lessons.

Operating a successful Little League program requires numerous volunteers, community partners and financial support. Each season we have countless volunteers devoting their time and energy to make our league run as smoothly as possible. In addition to our volunteers, the league requires community financial support. Player registrations only account for a small portion of league expenses. Citrus Heights Little League relies solely on Sponsorships and Donations to help:

- Maintain affordable registration fees for all players
- Provide partial and full scholarships to players in need
- Purchase quality equipment for the optimal safety and experience of our players
- Support the operational costs of our league such as uniforms, coach and umpire training, insurance, field maintenance, etc.

We need your help to ensure another successful Citrus Heights Little League season. All donations are tax deductible as Citrus Heights Little League is a 501-c non-profit organization.

We have several different sponsorship packages to choose from. In return for your generous support, you will receive increased exposure for your business, on our website, social media, and multiple field events. Thank you for your commitment to our community and support of Citrus Heights Little League. Your generosity allows our little league to provide an excellent experience to our players and community each year.
